

C. Right to Restrict Use and Disclosure

You may request that we restrict uses of your health information to carry out treatment, payment, or health care operations or to your family member or friend involved in your care or the payment for your care. We may not (and are not required to) agree to your requested restrictions, with one exception: If you pay out of your pocket in full for a service you receive from us and you request that we not submit the claim for this service to your health insurer or health plan for reimbursement, we must honor that request.

D. Right to Confidential Communications, Alternative Means and Locations

You may request to receive communications of health information by alternative means or at an alternative location. We will accommodate a request if it is reasonable and you indicate that communication by regular means could endanger you. When you submit a written request to the Privacy Official listed on the first page of this Notice, you need to provide an alternative method of contact or alternative address and indicate how payment for services will be handled.

E. Right to an Accounting of Disclosures

You have a right to receive an accounting of disclosures of your health information for the six (6) years prior to the date that the accounting is requested except for disclosures to carry out treatment, payment, health care operations (and certain other exceptions as provided by HIPAA). The first accounting we provide in any 12-month period will be without charge to you. We may charge a reasonable fee to cover the cost for each subsequent request for an accounting within the same 12-month period. We will notify you in advance of this fee and you may choose to modify or withdraw your request at that time.

F. Right to a Paper Copy of this Notice

You have the right to a paper copy of this Notice. You may ask us to give you a paper copy of the Notice at any time (even if you have agreed to receive the Notice electronically). To obtain a paper copy, ask the Privacy Official.

G. Right to Receive Notification of a Security Breach

We are required by law to notify you if the privacy or security of your health information has been breached. The notification will occur by first class mail within sixty (60) days of the event. A breach occurs when there has been an unauthorized use or disclosure under HIPAA that compromises the privacy or security of your health information.

The breach notification will contain the following information: (1) a brief description of what happened, including the date of the breach and the date of the discovery of the breach; (2) the steps you should take to protect yourself from potential harm resulting from the breach; and (3) a brief description of what we are doing to investigate the breach, mitigate losses, and to protect against further breaches.
